

The 2012 Trent SBA Event

S.B.A Trent Event

July 6th - 7th - 8th 2012

@ Trent Valley Sailing Club - Trent Lock Long Eaton NG10 2FY

For the 26th year, Trent Valley Sailing Club is happy to host us Steamboaters.

The event has changed little over the years (but sadly after all these years there needs to be a small price increased to ensure mutual happiness) and apart sadly, from missing a few of our “regulars”, it won't be much different this year.

For the two cruising days, we have a choice of 4 navigations:-

- Up the Soar to Normanton
- Down the Trent to Nottingham
- On the Erewash canal to Langley Mill
- To Shardlow on the Trent and Mersey (with the possibility to visit Trevor Scott's steam garden railway)

It is expected that boats will arrive on Friday, launching at either Redhill or Sawley Marina.

Camping in any form is possible on the premises, and all facilities are available. Only two, single gents bunks are still currently available

There will be a supper in the clubhouse on Friday and Saturday, and no doubt we shall continue the “communal breakfast” tradition on Saturday and Sunday.

Subject to demand, I am also happy to arrange a pre-event cruise, possibly overnighting on one of the waterways.

It is however necessary to “live on board” to benefit from the experience. This could start on Tuesday/Wednesday 3/4 July depending on interest.

So, do clear a slot in your busy diaries, send me the completed entry form, with a cheque made out to J.B Tilley, we look forward to meeting up again.

Do make a note of possible interest in the pre-event cruise and what day you would be able to join or give me a call on: 01530 814 224 or 0780 164 0175
