I intend sleeping onboard my boat **Yes / No**
 Delete as applicable

Further Information

Safety: All boats taking part in SBA events must carry appropriate safety equipment including paddles or oars, anchors & warps, fire fighting equipment and a first aid kit.

Non swimmers should wear Buoyancy Aids and any others required to do so by the boat owner. (Passengers are responsible for supplying their own buoyancy Aid).

SBA Insurance Declaration. It is mandatory for all owners of boats taking part in the rally to fill in the Insurance Declaration form provided on a separate sheet and return **before** the rally giving full details as requested. Failure to comply will nullify the Associations Insurance for the event. The form clearly states that the requested information must be **filled in completely and returned to the event organiser before the boat can take part at the event.**

Payment Details

Please note that the all inclusive fee is exactly what it is. If you only want to attend some of the meals then the cost will be as per the order form, the total of which will be worked out from the order form prices.

I have arranged with the SBA treasurer for payments to be paid by Direct Online Bank transfers.

Please when paying include the following reference:

Windermere 23.6.24 or as much as you can get in the box which will help the treasurer to allocate the funds and please send me a PDF copy of the bank payment or confirmation by email.

Hopefully we can keep postage costs to zero.

Message from Chris Adamson

In an effort to ensure the SBA Windermere Rally continues into the 2024 season I offered to organise it under the careful guidance of Roger Kent. Organising the event while in full time employment has been a challenge, while I am happy to continue to do so for the foreseeable future, I would be grateful if anyone feels they may have the spare time to lend a hand for future rallies and help lighten the load. The nature of my employment may mean I have to drop out at short notice in the future and a co-organiser would be sensible precaution.

Kind regards

Windermere 2024 Organisers
